Sir:

REQUEST FOR CORRECTED NOTICE OF ALLOWABILITY

Applicants received a Notice of Allowability dated November 20, 2007, indicating that claims 1-4 were allowed.

While grateful for the indication of allowable claims, the Applicants note that the Notice of Allowability failed to acknowledge that all certified copies of priority documents had been received. Applicants believe this is a typographical error, as the PAIR database file for the instant application includes a certified copy of the priority document (JP 2004-003347).

Applicants therefore respectfully request that a corrected Notice of Allowability be issued that indicates that all copies of the certified copies of the priority documents have been received in this national stage application from the International Bureau.

If the Examiner has any questions, he is invited to contact the undersigned agent of record.

CERTIFICATE OF E-FILING

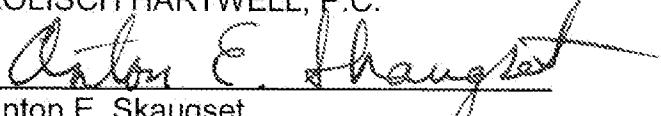

I hereby certify that this correspondence is being transmitted electronically via the United States Patent and Trademark Office's EFS-Web System on January 4, 2008.

Allison M. Deverman Vietor
